United States of America

v.

Roger Armando BENITEZ-Herrera

Defendant(s)

Case No: 25-592 PO

CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief. On or about the date of April 29, 2025 in the county of Otero in the State and District of New Mexico, the defendant violated 8 U.S.C. §1304(e)(Failure to Carry Alien Registration), an offense described as follows:

Fail to carry and have in his/her personal possession a certificate of alien registration or alien registration receipt card issued to him/her pursuant to Section 264(d) of the Immigration and Nationality Act,

This criminal complaint is based on these facts:

On April 29, 2025, Border Patrol Agents were conducting immigration inspections at the checkpoint located west of Alamogordo, NM on US Hwy 70.

The defendant, a 54 year old, entered the checkpoint for inspection as the driver of a Semi Tractor pulling a trailer. An Agent greeted him and inquired as to his citizenship. The defendant stated that he was a Permanent Resident in the United States. When asked for his Permanent Resident Card (Form I-551), he stated he did not have it and presented his TX Driver's License.

Agents conducted checks on the defendant's records and found a lengthy criminal history and confirmed his Permanent Resident status.
